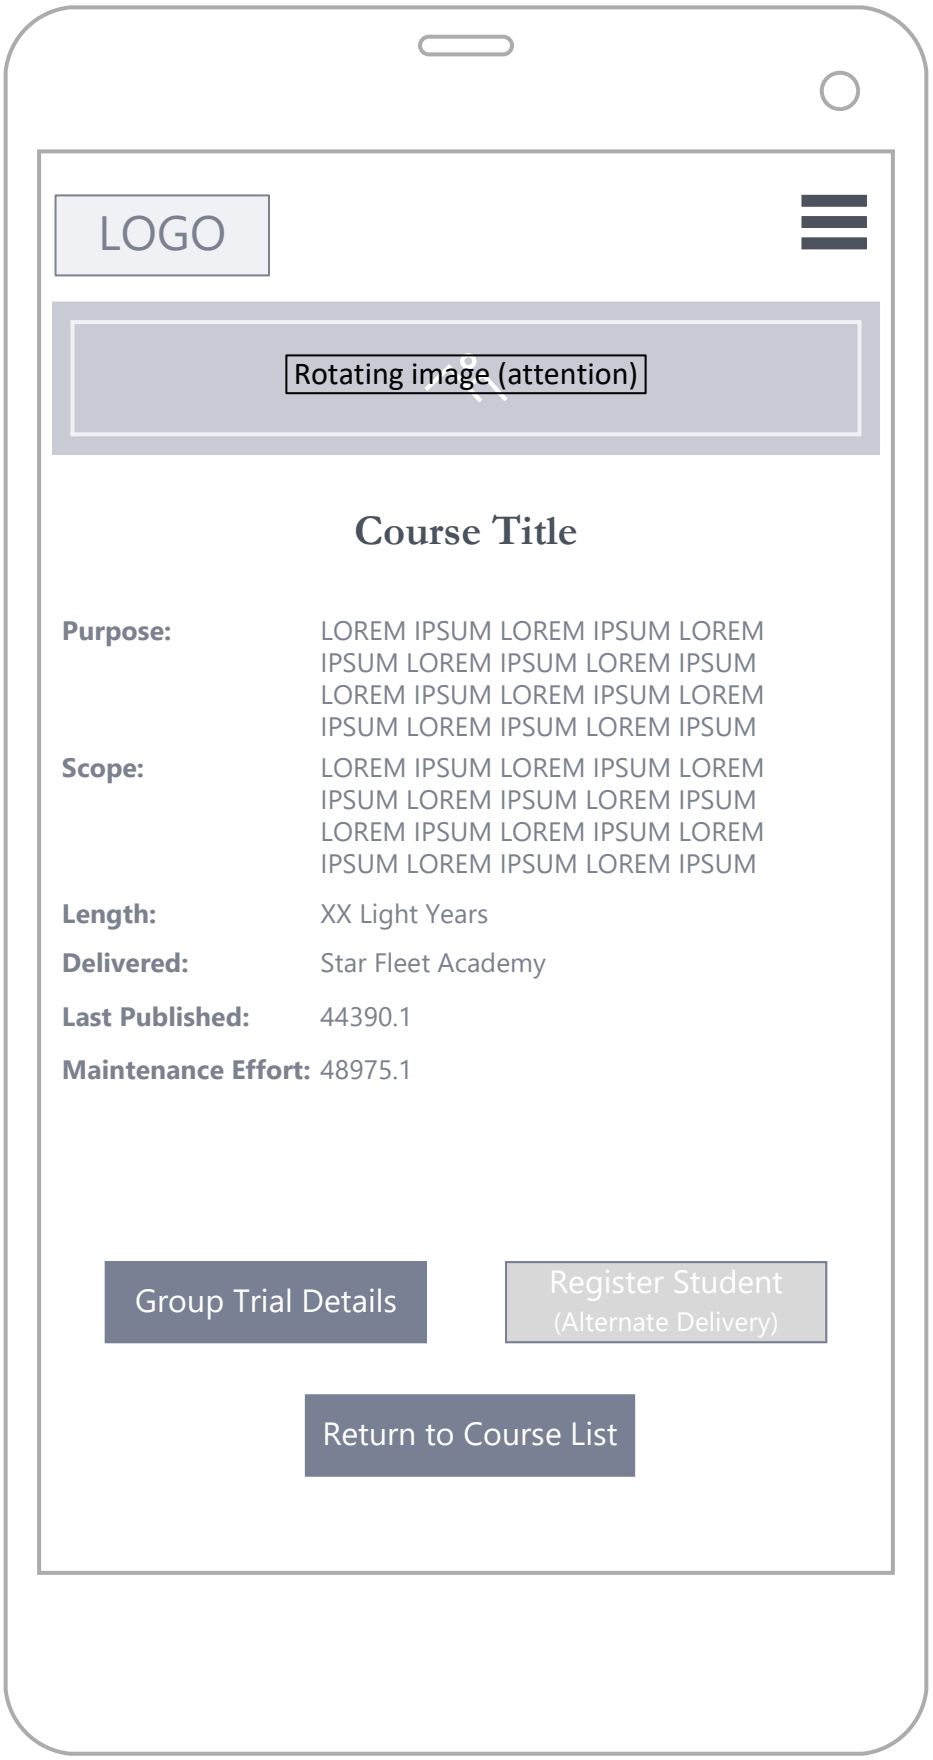
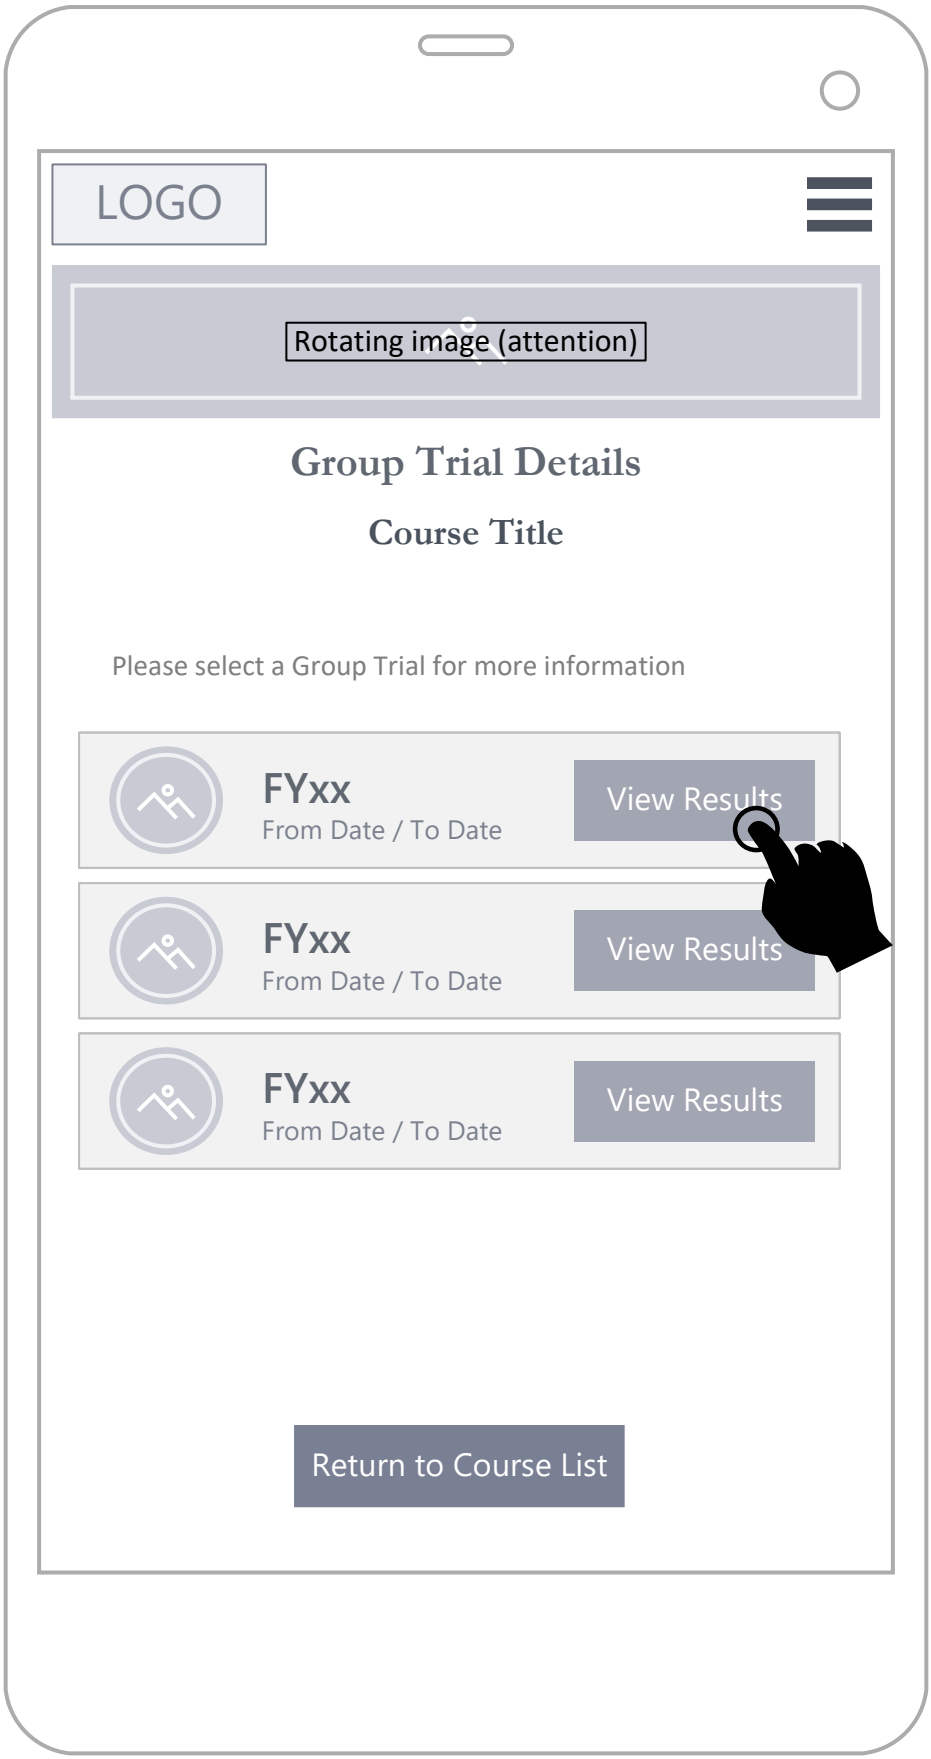
Unsure of this page's title



Purpose and Scope will need a mechanism to scroll through long data. Either vertical scroll bar or a "more..." which displays a 'popup" with full data.

Register Student button (greyed out) is future feature.

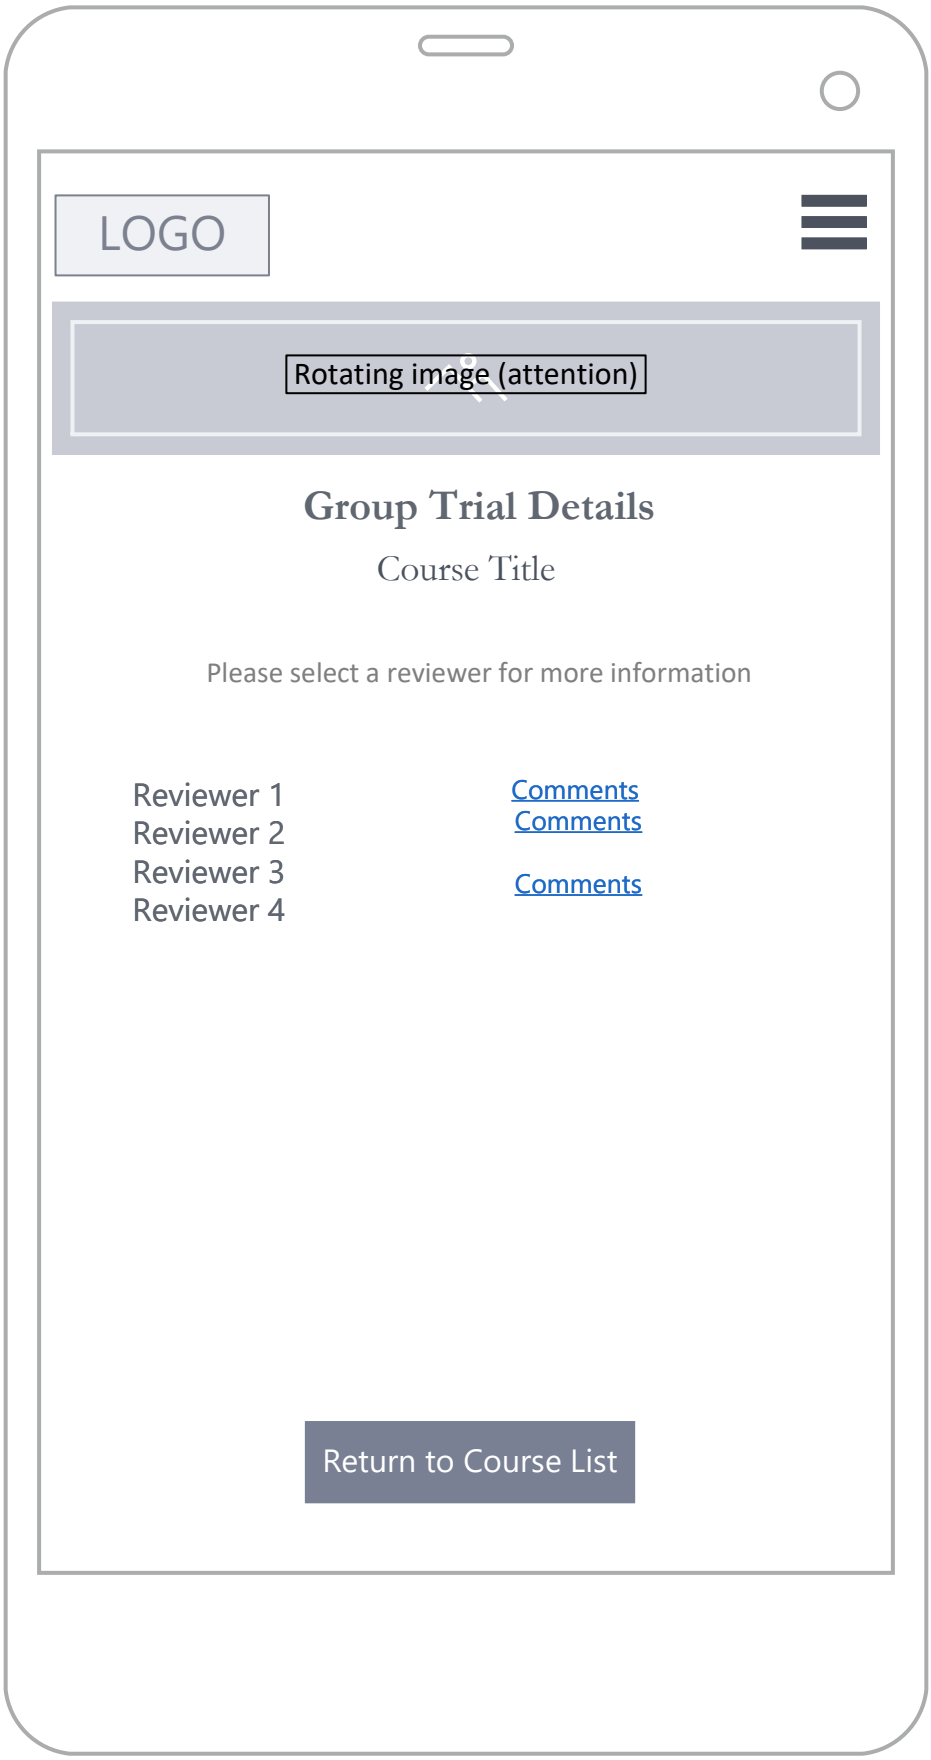


Group Trial icon in the list should indicate if this is a closed GT or still in progress.

Also could indicate a percentage of responses versus total candidates.

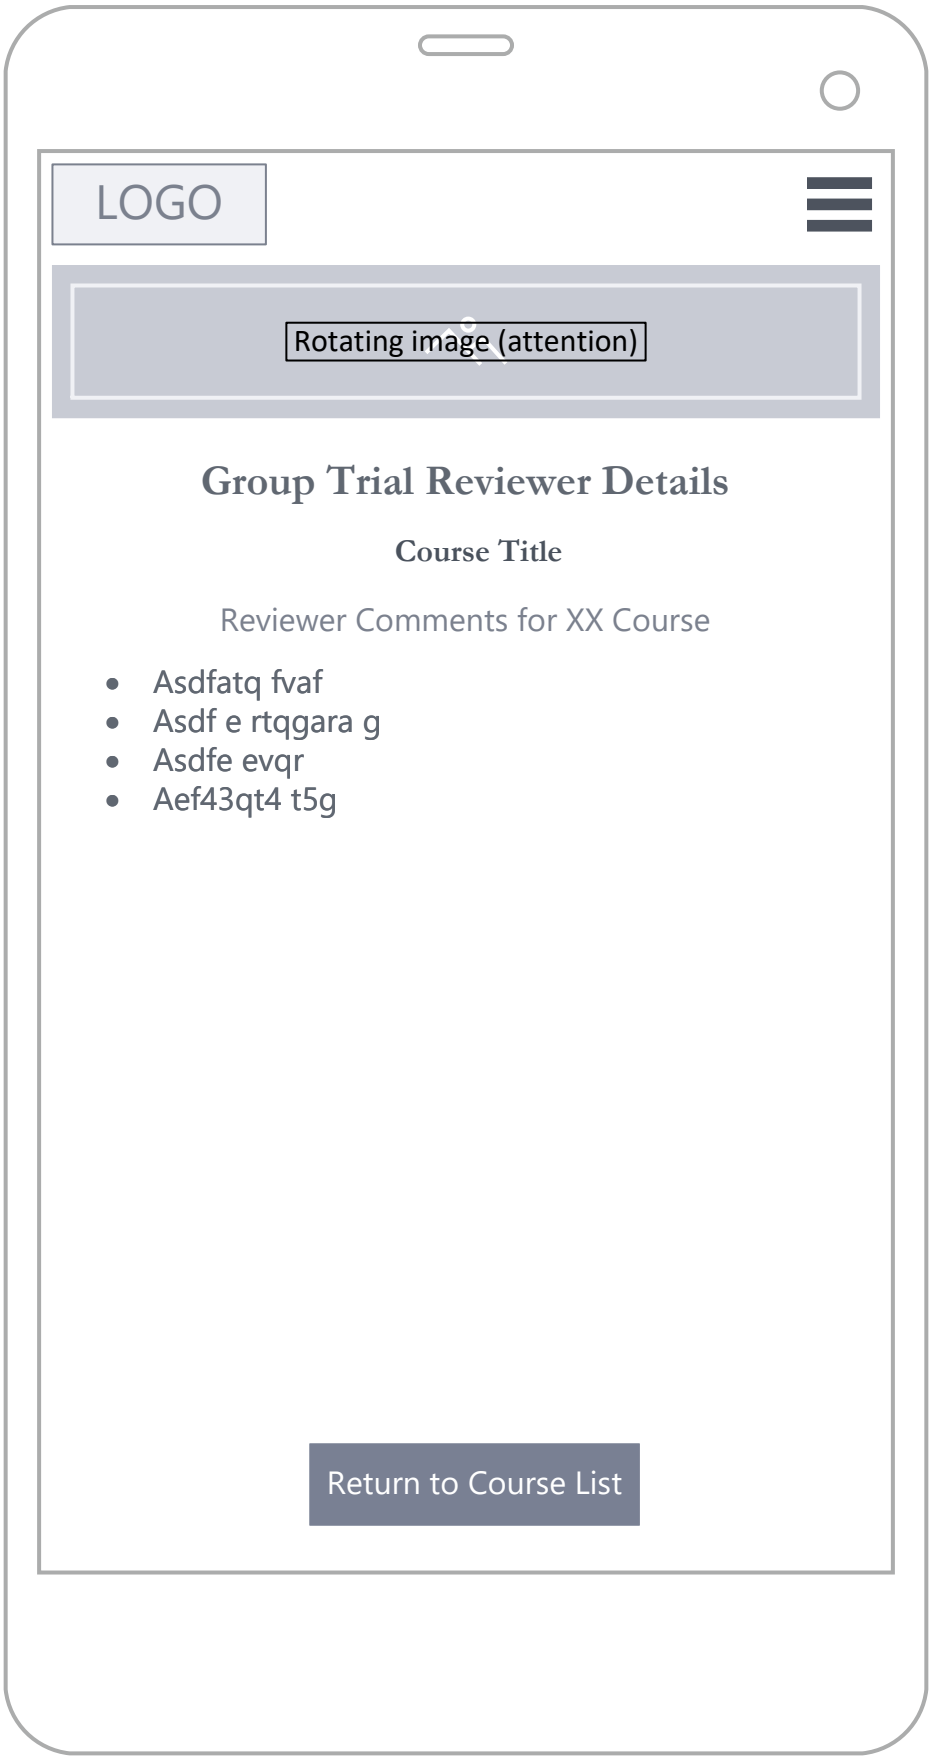
Color of that percentage could be red/yellow/green depending on how many responses.

Need to include a icon for this color to comply with WCAG 2.1



Bullet icons could be changed to a "Check Mark" to indicate if the reviewer submitted results or not.

Hyperlink "Comments" will navigate to the reviewer comments (maybe in some form of .csv format??



Identify “Reviewer” from login information

Bulleted list could be a data table containing two columns. One column would annotate Lesson/ Page numbering. Second column would be the error they spotted.
